

InfraGard National Congress & Training Conference

2020 Sponsorship & Exhibitor Guide

InfraGard and GSX

Connect with Your Target Audience!

For the fourth year, the InfraGard National Training Conference will partner with the security organization ASIS International, bringing in over 20,000 participants from across the United States and around the world.

InfraGard's partnership with the **ASIS Global Security Exchange (GSX) 2020** will provide attendees with the opportunity to explore thousands of new technologies and partake in GSX's exceptional sessions.

InfraGard National's Training Conference is the premier gathering for InfraGard members and security stakeholders representing all 16 critical infrastructure sectors and industry disciplines. As the organization's largest and most highly anticipated annual event, the InfraGard Congress and Conference draws members from across the nation for education, collaboration and networking. InfraGard focuses on the most timely and impactful topics that are shaping the future of security and resilience. In the spirit of the InfraGard mission, this year's event will offer five days of education information-sharing that address prevention, mitigation and response to threats and resilience to critical infrastructure.

*Connect with leaders in the security industry.
Our attendees operate in the 16 critical
infrastructure sectors identified by the
Department of Homeland Security.*

INFRAGARD NATIONAL

Organizational Overview

Founded in 1996, InfraGard National is an FBI-affiliated nonprofit organization dedicated to strengthening national security, community resilience, and the foundation of American life.

InfraGard is one of the FBI's longest-running outreach programs and its largest public/private partnership, with over 68,000 members representing 77 InfraGard chapters nationwide. All InfraGard chapters are geographically linked with one of the FBI's 56 Field Offices, enabling law enforcement and the American business community to collaborate on localized educational programs, training events and information-sharing initiatives that help mitigate threats and promote safety and security. Exemplifying leadership, patriotism and purpose, InfraGard's vision is to provide meaningful contributions towards preserving human life and making our nation a safer, more resilient place for all.

InfraGard members are decision-makers who hold positions including:

- CEO
- COO
- CISO
- CIO
- CSO
- CTO
- Attorney
- Controller
- Network Administrator
- Systems Architect
- Network Architect
- Intelligence & Security Manager

- Vice President of Global Security
- VP of Information Security/Information Technology
- Director of Information Security
- Risk Officers
- Information Security Manager
- IT Director
- IT Manager
- Network Security Manager
- Director of Security
- Facility Manager
- Director of Emergency Services
